**ENERGIZED
BY EXCELLENCE**

About Us

At Raya Energy, we take pride in being a leading lubricant oil company based in Damascus-Sub, Syria. With our factory operational since 1997, and with two decades of experience we have established ourselves as a trusted provider of high-quality oil-lubricants in Syria.

Our commitment to excellence, innovation and customer satisfaction has enabled us to become authorized by ExxonMobil (From 1997 to 2005), and by Total Energy (From 2005 to present), a testament to our dedication to producing cutting-edge lubricants.

AUTHORIZED BY:

Vision & Mission

Our vision at Raya Energy is to be the preferred choice for lubricant solutions in the market. We strive to achieve this by consistently delivering innovative and reliable products that exceed our customers' expectations.

Our mission is to provide exceptional lubricants that enhance the performance and longevity of machinery across various industries. We aim to achieve this by delivering superior products, fostering strong partnerships, and maintaining a customer-centric approach.

Mr. Mahmoud Al-Akkam

General Manager

Our Facility

Equipped with state-of-the-art infrastructure, our facility in Damascus-Sub (Spreading over 17,000 sqm) is designed to meet the highest industry standards. We have invested in advanced manufacturing technology and adhere to stringent quality control measures to ensure the production of superior lubricants. With a total staff strength of 65 dedicated employees and highly skilled professionals - who are dedicated to maintaining the highest level of product quality - we ensure that our production processes adhere to the highest industry standards.

To ensure the quality and performance of our lubricants, we have established conditioning and testing labs within our facility. These labs are equipped with cutting-edge equipment and are manned by experienced technicians who conduct rigorous testing and analysis. Our commitment to quality control enables us to deliver lubricants that meet the specific requirements of different industries.

Condition & Testing LABs

Sustainability

Health, Safety, and Environment

At Raya Energy, we prioritize sustainability and are committed to maintaining the highest standards of health, safety, and environmental practices which are essential parts to our corporate ethos. We adhere to strict protocols to minimize our ecological footprint and ensure the well-being of our employees, customers, and the communities we operate in.

Our commitment to sustainability ensures that our lubricants contribute to a greener and safer future.
